STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

Purpose of closure

The School Street closure is part of a project delivered by Somerset Council and Somerset Activity and Sports Partnership (SASP) with Birchfield Community Primary School. The purpose of the closure is to address road safety issues in the area around the school and encourage an increase in active travel for the school commute.

Justification

The Children and families of Birchfield Community Primary School are faced with traffic problems leading to their school daily. A School Street scheme would create a safer environment for children attending school, reduce the levels of disgruntled residents having their driveways blocked and make a more pleasant and welcoming environment for active travel.
